(2) A money by-law for the issuing of debentures may provide that the principal shall be repaid at a fixed date with interest payable annually or semi-annually, in which case debentures issued under the by-law shall be known as sinking fund debentures.

When
debentures
to be
payable

(3) Notwithstanding any general or special Act, the whole debt and the debentures to be issued therefor shall be made payable within such term of years as the Municipal Board may approve.

Special levy
against area
municipalities

(4) The by-law may provide for raising in each year, by special levy or levies against one or more area municipalities, the whole or specified portions of the sums of principal and interest payable under the by-law in such year, and each area municipality shall pay to the Regional Corporation such sums at the times and in the amounts specified in the by-law.

General levy

(5) The by-law shall provide for raising in each year, by a special levy on all the area municipalities, the sums of principal and interest payable under the by-law in such year to the extent that such sums have not been provided for by any special levy or levies against any area municipality or municipalities made especially liable therefor by the by-law.

(6) Any special levy against an area municipality imposed by the by-law under the authority of subsection 4 may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the portion of the debt levied against it under subsection 4.

(7) Notwithstanding subsection 5 the Regional Council may by by-law,

(a) authorize the borrowing of money by the issue of instalment debentures, the last instalment of which shall mature not earlier than ten years after the date upon which they are issued, and a specified sum of principal payable thereunder in the final year shall be raised by the issue of refunding debentures as provided in clause *b*, and it shall not be necessary to raise by special rate in the year of maturity of the debentures to be refunded an amount equal to the specified principal amount of the debentures which are being refunded; and

(b) authorize the issue of debentures to refund at maturity outstanding debentures of the municipality, provided that the refunding debentures shall be payable within the maximum period of years that was approved by the order of the Municipal Board for the repayment of debentures issued for the debt for which the outstanding debentures were issued, commencing on the date of the debentures originally issued for such debt,

and any such by-law shall provide that the sums of principal and interest payable under the by-law shall be raised by a special levy or levies against such area municipality or municipalities as may be specified in the by-law and such levy shall be levied against the same area municipality or municipalities in each case.

(8) Any special levy against an area municipality imposed by the by-law under the authority of subsection 7 may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the portion of the debt levied against it under subsection 7, and any levy imposed by a by-law under clause *b* of subsection 7 shall be levied by the area municipality against the same persons or property as the levy imposed by the related by-law under clause *a* of subsection 7 was levied.

Levies
a debt

(9) All levies imposed by the by-law against an area municipality are a debt of the area municipality to the Regional Corporation.

By-law to
change mode
of issuing
debentures

(10) The Regional Council may by by-law authorize a change in the mode of issue of the debentures and may provide that the debentures be issued with coupons instead of in amounts of combined principal and interest or *vice versa*, and where any debentures issued under the by-law have been sold, pledged or hypothecated by the Regional Council upon again acquiring them or at the request of any holder of them, may cancel them and issue one or more debentures in substitution for them, and make such new debenture or debentures payable by the same or a different mode on the instalment plan, but no change shall be made in the amount payable in each year.

Debentures,
when to be
dated and
issued

(11) All the debentures shall be issued at one time and within two years after the passing of the by-laws unless, on account of the proposed expenditure for which the by-law provides being estimated or intended to extend over a number of years and of its being undesirable to have large portions of the money in hand unused and uninvested, in the opinion of the Regional Council it would be of advantage to so issue them, and in that case the by-law may provide that the debentures may be issued in sets of such amounts and at such times as the circumstances require, but so that the first of the sets shall be issued within two years, and all of them within five years, after the passing of the by-law.

Date of
debentures

(12) All the debentures shall bear the same date, except where they are issued in sets, in which case every debenture of the same set shall bear the same date.

Idem

(13) Notwithstanding the provisions of the by-law, the debentures may bear date at any time within the period of two years or five years, as the case may be, mentioned in subsection 11 and the debentures may bear date before the date the by-law is passed if the by-law provides for the first levy being made in the year in which the debentures are dated or in the next succeeding year.

Extension
of time
for issue

(14) The Municipal Board, on the application of the Regional Council, the council of any area municipality or any person entitled to any of the debentures or of the proceeds of the sale thereof, may at any time extend the time for issuing the debentures beyond the two years, or the time for the issue of any set beyond the time authorized by the by-law.

(15) The extension may be made although the application is not made until after the expiration of the two years or of the time provided for the issue of the set.

(16) Unless the by-law names a later day when it is to take effect, it takes effect on the day of its passing.

(17) Notwithstanding any general or special Act, the Regional Council may borrow sums for two or more purposes in one debenture by-law and provide for the issue of one series of debentures therefor.

(18) Section 290 of *The Municipal Act* applies *mutatis mutandis* to the Regional Corporation.

(19) The by-law may provide that all the debentures or a portion thereof shall be redeemable at the option of the Regional Corporation on any date prior to maturity, subject to the following provisions:

1. The by-law and every debenture that is so redeemable shall specify the place or places of payment and the amount at which such debenture may be so redeemed.
2. The principal of every debenture that is so redeemable becomes due and payable on the date set for the redemption thereof, and from and after such date interest ceases to accrue thereon where provision is duly made for the payment of the principal thereof, the interest to the date set for redemption and any premium payable on redemption.
3. Notice of intention so to redeem shall be sent by prepaid mail at least thirty days prior to the date set for such redemption to the person in whose name the debenture is registered at the address shown in the Debenture Registry Book.
4. At least thirty days prior to the date set for such redemption, notice of intention so to redeem shall be published in *The Ontario Gazette* and in a daily newspaper of general circulation in the Regional Area and in such other manner as the by-law may provide.
5. Where only a portion of the debentures issued under the by-law is so to be redeemed, such portion shall comprise only the debentures that have the latest maturity dates and no debentures issued under the

by-law shall be called for such redemption in priority to any such debentures that have a later maturity date.

6. Where a debenture is redeemed on a date prior to maturity, such redemption does not affect the validity of any by-law by which special assessments are imposed or instalments thereof levied, the validity of such special assessments or levies, or the powers of the Regional Council to continue to levy and collect from any area municipality the subsequent payments of principal and interest payable by it to the Regional Council in respect of the debenture so redeemed.

Currency

(20) The by-law may provide that the debentures to be issued thereunder shall be expressed and be payable,

- (a) in lawful money of Canada and payable in Canada; or
- (b) in lawful money of the United States of America and payable in the United States of America; or
- (c) in lawful money of Great Britain and payable in Great Britain; or
- (d) subject to the prior approval of the Lieutenant Governor in Council, in a currency other than that of Canada, the United States of America or Great Britain.

Annual
rates

(21) Where under the provisions of the by-law debentures issued thereunder are expressed and made payable in lawful money of the United States of America or of Great Britain, or in any currency other than that of Canada, the Regional Council may in such by-law or in any amending by-law, in lieu of providing for the raising in each year during the currency of the debentures specific sums sufficient to pay interest thereon or instalments of principal falling due in such year, provide that there shall be raised such yearly amount as may be necessary for such purposes and as the requirements for such purposes may from year to year vary.

Principal
levies

(22) When sinking fund debentures are issued, the amount of principal to be raised in each year shall be a specific sum which, with the estimated interest at a rate not exceeding 5 per cent per annum, capitalized yearly, will be sufficient to pay the principal of the debentures or any set of them, when and as it becomes due.

(23) When sinking fund debentures are issued, the sinking fund committee shall keep one or more consolidated bank accounts in which,

- (a) the treasurer of the Regional Corporation shall deposit each year during the term of the debentures the moneys raised for the sinking fund of all debts that are to be paid by means of sinking funds; and
- (b) there shall be deposited all earnings derived from, and all proceeds of the sale, redemption or payment of, sinking fund investments.

(24) When sinking fund debentures are issued, there shall be a sinking fund committee that shall be composed of the treasurer of the Regional Corporation and two members appointed by the Regional Council, and the two appointed members may be paid, out of the current fund of the Regional Corporation, such annual remuneration as the Regional Council determines.

(25) The Regional Council may appoint an alternate member for each of the appointed members and any such alternate member has all the powers and duties of the member in the absence or inability to act of such member.

(26) The treasurer of the Regional Corporation shall be the chairman and treasurer of the sinking fund committee and in his absence the appointed members may appoint one of themselves as acting chairman and treasurer.

(27) Each member of the sinking fund committee shall, before entering into the duties of his office, give security for the faithful performance of his duties and for duly accounting for and paying over all moneys that come into his hands, in such amount as the auditor of the Regional Corporation shall determine, and in other respects the provisions of section 233 of *The Municipal Act* apply with respect to such security.

(28) Two members of the sinking fund committee are a quorum, and all investments and disposals of investments must be approved by a majority of all the members of the committee.

(29) All assets of the sinking funds, including all consolidated bank accounts, shall be under the sole control and management of the sinking fund committee.

(30) All withdrawals from the consolidated bank accounts shall be authorized by the sinking fund committee, and all cheques on the consolidated bank accounts shall be signed

by the chairman or acting chairman and one other member of the sinking fund committee.

Investments (31) The sinking fund committee shall invest any moneys on deposit from time to time in the consolidated bank accounts and may at any time or times vary any investments.

Idem (32) The moneys in the consolidated bank accounts shall be invested in one or more of the following forms,

R.S.O. 1970,
c. 470

- (a) in securities in which a trustee may invest under *The Trustee Act*;
- (b) in debentures of the Regional Corporation;
- (c) in temporary advances to the Regional Corporation pending the issue and sale of any debentures of the Regional Corporation;

Release of
securities by

of Ontario

(34) The Treasurer of Ontario shall release, deliver or otherwise dispose of any security deposited with him under subsection 33 only upon the direction in writing of the sinking fund committee.

Sinking
fund
accounts

(35) All sinking fund debentures issued on the same date, payable in the same currency, and maturing on the same date, notwithstanding they are issued under one or more by-laws, shall be deemed one debt and be represented by one sinking fund account.

fund account

(36) That proportion of the amount of all earnings in any year, on an accrual basis, from sinking fund investments obtained by,

- (b) dividing the product obtained under clause a by the amount of all capitalized interest for that year under

subsection 22 with respect to all principal raised up to and including such year for all outstanding sinking fund debentures,

shall be credited to the sinking fund account mentioned in clause *a*.

(37) The treasurer of the Regional Corporation shall prepare ^{Sinking fund requirements} and lay before the Regional Council in each year, before the annual regional levies are made, a statement showing the sums that the Regional Council will be required, by by-law, to raise for sinking funds in that year.

(38) If the treasurer of the Regional Corporation contravenes ^{Offence} subsection 23 or 37, he is guilty of an offence and on summary conviction is liable to a fine of not more than \$250.

(39) If the Regional Council neglects in any year to levy the ^{Failure to levy} amount required to be raised for a sinking fund, each member of the Regional Council is disqualified from holding any municipal office for two years, unless he shows that he made reasonable efforts to procure the levying of such amount.

(40) Notwithstanding this or any other Act or by-law, if it ^{Where amount in sinking fund account more than sufficient to pay debt} appears at any time that the amount at the credit of any sinking fund account will be more than sufficient, with the estimated earnings to be credited thereto under subsection 36 together with the levy required to be made by the by-law or by-laws that authorized the issue of the debentures represented by such sinking fund account, to pay the principal of the debt represented by such sinking fund account when it matures, the Municipal Board, on the application of the sinking fund committee, the Regional Council or the council of an area municipality, may authorize the Regional Council or the council of an area municipality to reduce the amount of money to be raised with respect to such debt in accordance with the order of the Municipal Board.

(41) No money collected for the purpose of a sinking fund ^{No diversion of sinking funds} shall be applied towards paying any part of the current or other expenditure of the Regional Corporation or otherwise than is provided in this section.

- (a) use the surplus to increase the amount at the credit of another sinking fund account; or

(b) authorize the withdrawal of the surplus from the consolidated bank accounts, and the surplus shall be used for one or more of the following purposes,

- (i) to retire unmatured debentures of the Regional Corporation or of an area municipality,
- (ii) to reduce the next annual levy on account of principal and interest payable with respect to debentures of the Regional Corporation or of an area municipality,
- (iii) to reduce the amount of debentures to be issued for other capital expenditures for which the issue of debentures has been approved by the Municipal Board,

and the surplus shall be used under either clause *a* or *b* for the purposes of the Regional Corporation or an area municipality in the proportion that the amount of the contribution for the purposes of each bears to the total contributions to the sinking fund account in connection with which the surplus arose.

Deficit
and
surplus

(43) Notwithstanding that any sinking fund debentures have been issued for the purposes of one or more area municipalities, any deficit in the sinking fund account shall be provided by the Regional Corporation out of its current funds and any surplus in the sinking fund account shall be used as provided in subsection 42.

When rate of
interest
may be
varied

139.—(1) If the Municipal Board is of the opinion that the current rate of interest so differs from the rate of interest payable on any debentures that remain unsold or undisposed of that the sale or disposal thereof may substantially decrease or increase the amount required to be provided under the by-law under which such debentures were issued, the Municipal Board may authorize the Regional Council to pass a by-law to amend such by-law so as to provide for,

- (a) a different rate of interest;
- (b) a change in the amount to be raised annually and, if necessary, in the special levies;
- (c) such other changes in such by-law or any other by-law as to the Municipal Board may seem necessary to give effect thereto;

Special assessment and levies

(2) The repealing by-law shall recite the facts on which it is founded, shall provide that it shall take effect on the 31st day of December in the year of its passing, shall not affect any rates or levies due or penalties incurred before that day and shall not take effect until approved by the Municipal Board. When to take effect

141.—(1) Subject to section 140, after a debt has been contracted under a by-law, the Regional Council shall not, until the debt and interest have been paid, repeal the by-law or any by-law appropriating, for the payment of the debt or the interest, the surplus income from any work or any interest therein, or money from any other source, and shall not alter any such by-law so as to diminish the amount to be raised annually, and shall not apply to any other purpose any money of the Regional Corporation that has been directed to be applied to such payment. Until debt paid certain by-laws cannot be repealed

143.—(1) Within four weeks after the passing of a money by-law, the clerk may register a duplicate original or a copy of it, certified under his hand and the seal of the Regional Corporation, in the appropriate land titles or registry office.

(5) If the application or action is dismissed in whole or in part, a certificate of the dismissal may be registered, and after such dismissal and the expiration of the period prescribed by subsection 2, if it has not already expired, the by-law, or so much of it as is not quashed, is valid and binding according to its terms.

(6) Nothing in this section makes valid a by-law passed without the assent of the electors of an area municipality as required by subsection 2 of section 136, or a by-law where it appears on the face of it that any of the provisions of subsection 5 of section 138 have not been substantially complied with. ^{Illegal by-laws not validated}

Deficiency

(4) Where on the sale of any debentures a deficiency in the amount required for the purpose or purposes for which the debentures were issued is sustained, the amount of such deficiency shall be added to the sum to be raised for the first annual payment of principal and interest with respect to the debentures and the levy made in the first year for such purpose or purposes shall be increased accordingly or shall be raised by the issue of other debentures approved by the Municipal Board for the same or any similar purpose or purposes.

- (c) keep the accounts so as to exhibit at all times the state of every debt, and the amount of money raised, obtained and appropriated for the payment of it.

(2) The Regional Council may by by-law provide and direct that instead of a separate account of the interest upon every debt being kept, a consolidated account of the interest upon all debts may be kept, but which consolidated account shall be so kept that it will be possible to determine therefrom the true state of the interest account upon every debt and that provision has been made to meet the interest upon every debt.
